The ineligibility of the candidate comes to the notice after completion of training even after lapse of considerable time at the time of submission of dossiers to RSLDC. Therefore, it is desirable that eligibility and other aspects of candidates must be checked on the basis of documents prescribed in SF 5.1 G1 of the SoP-1 by the respective PIA at the time mobilization, by the Q team at the time of batch formation. The same must be shared with the respective District Skill Coordinators. The concern District Skill Coordinator must ensure 100% checking at the time of

approval of batch request on MIS. PIAs have to sustain heavy loss due to pointing out ineligibility of the candidates and a lot of time goes waste of RSLDC in this process.

All PIAs and respective District Skill Coordinators should ensure eligibility of candidates with in next two days of batch freezing, Respective DSCs may send the certificate to the effect that they have checked eligibility of a particular batch as mentioned in the table. This must be done without fail else necessary action would be taken against the concern DSCs and the concerned PIAs.
