

Matter related to De-affiliation

Ref: - Meeting dated 15.05.2014, item no. 09

Sub:- De affiliation/ Inspection by QCI on receipt of complaint against Institute from State Directorate.

Post engagement of the Quality Council of India, de-affiliation procedure was reviewed and it was decided that request of institute / inspection report from State Director / assessment report of QCI would be placed before DGET. DGET would analyse on case to case basis and shall take appropriate decision on the gravity and strength of report on the issue of further investigation. Consequent to any such investigation, if undertaken, the institute would be issued show cause notice (except in case of self-request of ITI) giving 30 days time and, if required, another reminder for 30 days, after which the case would be placed before the Sub-Committee with clear recommendation of DDG (Trg).

The sub-committee approved proposal of de-affiliation of all [78 cases \(59 Rajasthan+ 15 Punjab+ one each case of TN, Odisha, Haryana, Kerala\)](#). In cases where ITI has been advised for seeking accreditation of QCI and ITI concerned has not approached QCI even after 60 days of notice, it was decided to suspend the affiliation. All the cases pending for comments of Directorate or reply of the institute shall be brought before the Sub-Committee in next meeting.
