To

1. The Secretaries/Principal Secretaries of all the State Govts / UT Administrations dealing with Vocational Training
2. The Directors dealing with Vocational Training of all States / UT Administrations

**Subject: Implementation of National Skills Qualifications Framework (NSQF) compliant curricula for five CTS trades w.e.f. August, 2015 session – regarding**

Sir/Madam,

You may be aware that National Skills Qualification Framework (NSQF) has been notified vide Gazette Notification dated 27<sup>th</sup> December, 2013 published by Department of Economic Affairs, Ministry of Finance. The NSQF organizes qualifications according to series of levels of knowledge, skill and aptitude. The main thrust of the NSQF is to focus on competency-based qualifications. The paradigm shift from learning focused on inputs to an outcome/competency based training would enable alignment of the Indian qualifications with international ones. A copy of the Notification is available at <http://www.nsda.gov.in/resources/NSQF%20Gazette%20Notification.pdf>.

2. In this context, it has been decided to **implement the NSQF-compliant curricula for the following five CTS trades under NCVT**, w.e.f. the session commencing in August, 2015:

- a) Fitter (NSQF Level 4)
- b) Electrician (NSQF Level 4)
- c) Electronics Mechanic (NSQF Level 4)
- d) Turner (NSQF Level 4)
- e) Welder (NSQF Level 3)

3. The NSQF-compliant competency-based curricula of these five trades have been uploaded at <http://dget.gov.in/content/innerpage/trade-syllabus.php>.

4. Accordingly, it is requested to communicate to all Government and Private ITIs in your State to implement the above-mentioned NSQF-compliant CTS courses w.e.f. August 2015. NCVT is planning to conduct series of workshops/seminars through distance learning network or webinar to disseminate necessary information regarding the implementation, assessment and certification of these trades. The details would be placed on the website and communicated to you through mails. All the concerned like principals, instructors, and Private ITI managements should be encouraged to attend these workshops/seminars.

Yours faithfully,

  
(Deepankar Mallick)

Dy. Director General of Training
